The Baur au Lac's newly completed \$41 million renovation is already creating quite the buzz within the Swiss financial capitals' social scene. The hotel is set spectacularly along the banks of Lake Zurich and is currently home to the recently renovated Pavillon and Terrasse restaurants—the 'it' places to be seen at while in the city. We also hear that celebrity chef, Nobu Matsuhisa will be setting up his knives and tools besides bringing the essence of his world-renowned restaurants Nobu & Matsuhisa to Baur au lac later this year.
